

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

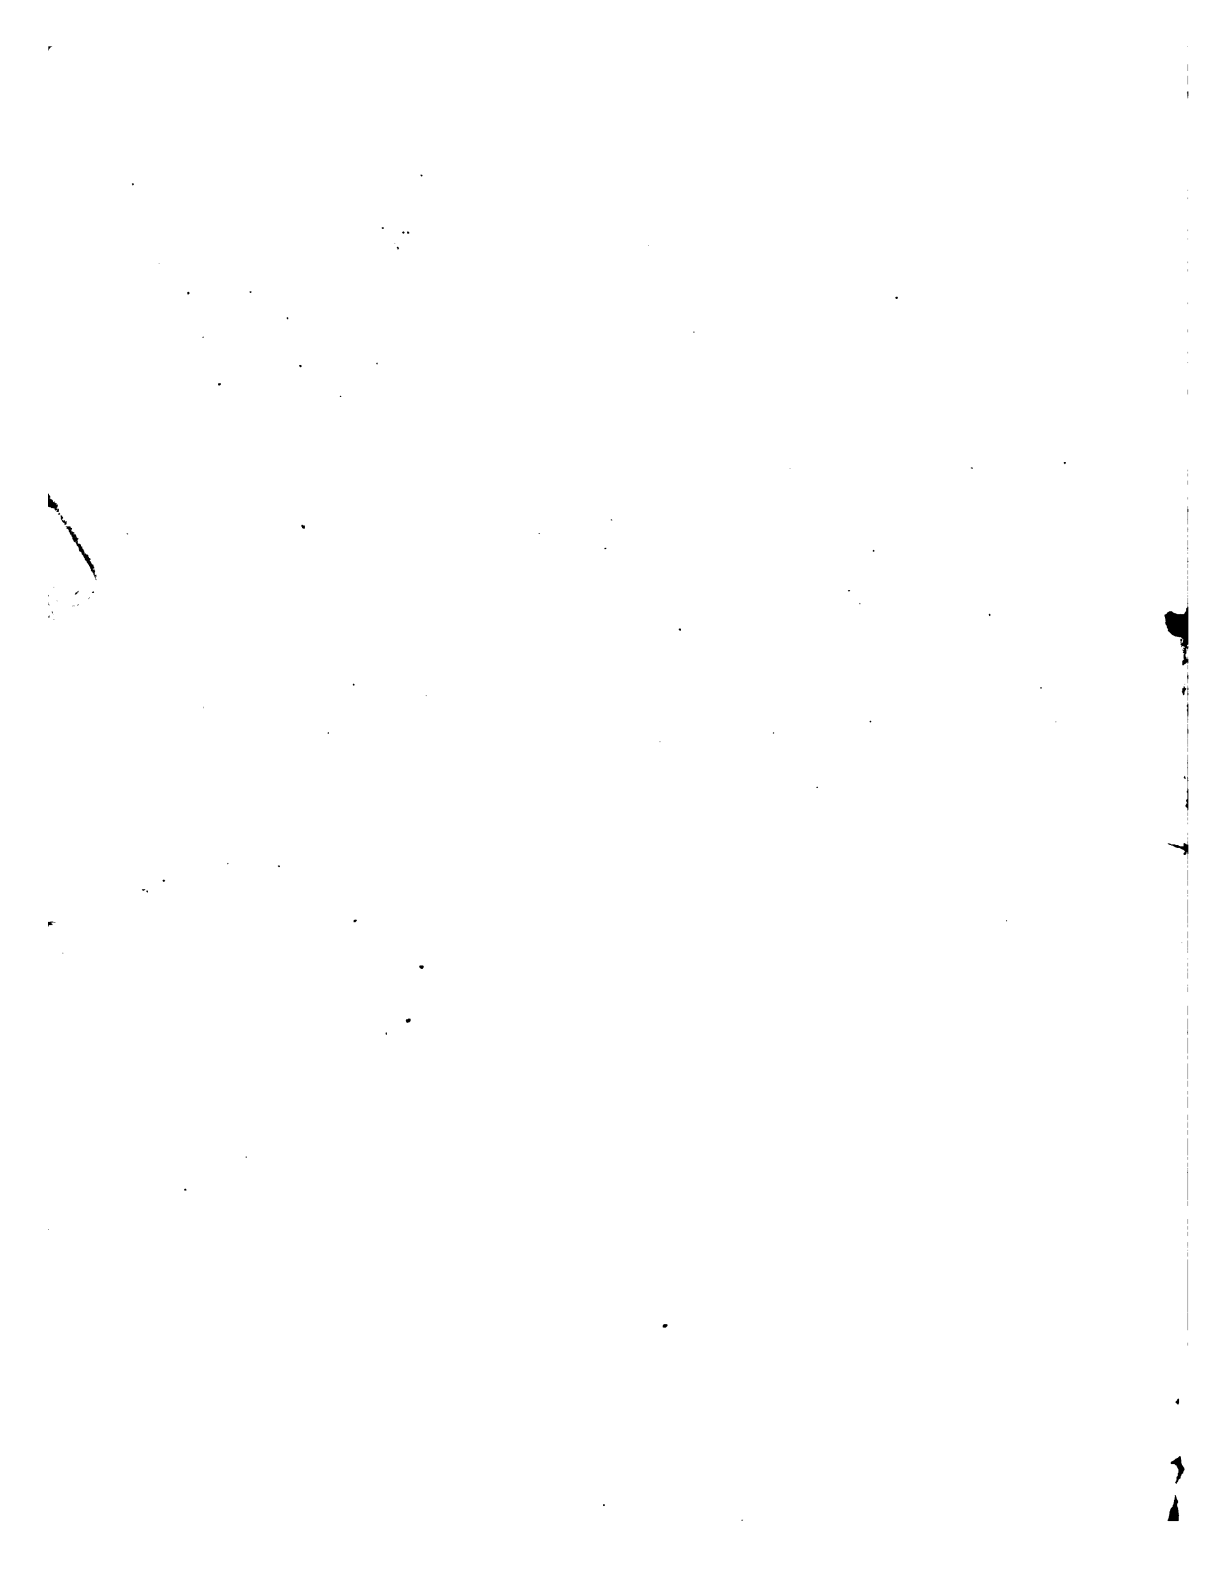

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

PRACTICING CHEMISTS
AND
TEACHERS OF CHEMISTRY,

GRADUATES OF THE
UNIVERSITY OF MICHIGAN.

1867-1887.

ANN ARBOR:
PUBLISHED BY THE UNIVERSITY.
1887.

PREFACE.

Persons observing errors or omissions in this directory will confer a favor if they will supply information for correction, addressing The Chemical Laboratory, University of Michigan, Ann Arbor, Mich. The list includes the names of a few persons who have not as yet taken a college degree, although they have completed courses in chemistry, at the University. It has been the immediate purpose to furnish a means of communication with the chemists who have gone out from the University in the last twenty years. It is desired to make the next edition more nearly complete. The names of the chemists who graduated earlier than 1867 will be found in the Michigan University Book. A register of pharmaceutical chemists is given in the annual announcements of the School of Pharmacy.

PRACTICING CHEMISTS.

* ABELL, WALTER S.—M. E., '78.

Assayer. San Francisco, Cal.

DIED, May 23, 1887.

ADAMS, EDWARD J.—M. L., '82.

Teacher, Detroit High School. Detroit, Mich.

ALLMENDINGER, CHARLES G.—Ph.

C., '82.—With D. Fischer, analytical chemist. Milwaukee, Wis.

AYRES, JOHN—M. E., '80.

Fort Smith, Arkansas.

BAIRD, JULIAN W.—Ph. C., .A. M.

'83.—Instructor in qualitative analysis and assaying at Lehigh University, 1883-86. Professor of analytical chemistry in the Massachusetts College of Pharmacy, Boston, Mass.

BEAUMONT, SAMUEL F.—M. E., '80.

BROADBENT, FRANK V.—M. S., '84.
Assistant chemist, U. S. Agricultural Department, Washington, D. C.

BROWNE, DAVID H.—Class of '85.
Chemist of "Lumberman's Mining Company," Ludington Mine, and general analyst. Iron Mountain, Mich.

BRUSH, CHARLES F.—M. E., '69.
Some years an analytical chemist and assayer. Electrician. Originator of the Brush Light. Superintendent of the works of the Brush Electric Company. Cleveland, Ohio.

BOSS, CLARENCE M.—M. E., '70.
Mining engineer.

CAMPBELL, EDWARD D.—B. S. (in chemistry) '86.—Chemist, Sharon Iron Co. Sharon, Pa.

CHADDOCK, WILLIAM H.—Class
of '87.—Assistant chemist, Cleve-
land Rolling Mill Co. Cleveland,
Ohio.

CHUTE, HORATIO N.—B. S., '72.
Teacher, Ann Arbor High School.
Ann Arbor, Mich.

CLARK, FRANK M.—Ph. C., '85.
The analytical chemist of the man-
ufacturing laboratory of Hatch &
Jenks, Buffalo, N. Y.

CLARK, JOHN E.—M. D., '77.
Professor of chemistry in the Mich-
igan College of Medicine, Detroit.

CLAUSSEN, CLAUS S.—Ph. B., '86.
In the manufacture of vinegar and
pickles. Brighton Park, Chicago.

COCHRAN, CARLOS B.—A. B., '77.
Analyst of foods for the Pennsyl-
vania Board of Agriculture. Pro-
fessor of Natural Sciences in the
State Normal School, West Ches-
ter, Pa.

COFFIN, CHARLES L.—B. S., '82; Ph. C., '84.—Coffin and Wood Chemical Company, manufacturers of essential oils, Detroit, Mich.

CRAMPTON, CHARLES A.—B. L., Ph. C., '82.—Assistant chemist in the U. S. Department of Agriculture, Washington, D. C.

DAVIS, CHARLES L.—Ph. C., '85.
Assistant in qualitative chemistry in the University of Michigan.

DENNIS, LOUIS M.—B. S. (in chemistry), '86. Instructor (elect) in chemistry in Cornell University, Ithaca, N. Y.

*DENISON, JOHN J.—Ph. C., '82.
For some time the analytical chemist at the manufacturing laboratory of Frederick Stearns & Co. DIED at Whitewater, Wis., August 21, 1886.

DICKMAN, ROBERT N.—B. A., '86.
Chemist with Rattle and Nye, 101
St. Clair street, Cleveland, Ohio.

DOPP, WILLIAM H.—A. B., '76.
Analytical chemist. Buffalo, N. Y.

DUNHAM, LEWIS E.—B. S. (in min-
ing engineering), '86. Chemist,
Midland Blast Furnace Company,
Midland, Mo.

DURKEE, HENRY R.—M. E., '68.
Some time analytical chemist and
assayer at Salt Lake City. 164
Dearborn street, Chicago, Ill.

EASTWOOD, JOHN F.—B. A., '71; M.
A., '73; Ph. C., '73. Professor of
natural sciences in Bethany Col-
lege, 1874-1885. Resident in the
University of Michigan.

FALL, DELOS—B. S., '75; M. S., '83.
Professor of biology and chemistry,
Albion College, Albion, Mich.

FRENCH, CHARLES E.—1880-81.

In manufacture of electric light carbons, Cleveland, Ohio.

GEISLER, JOSEPH F.—Ph. C., '80.

Chemist to the New York Mercantile Exchange, and to the N. Y. State Dairy Commissioner. Analytical and consulting chemist. Mercantile Exchange Building, Hudson and Harrison streets, New York.

*GENTSCH, GEORGE T.—Ph. C., '71.

Professor of chemistry and toxicology in the Department of Medicine of Wooster University, 1876-1879. DIED in 1880.

GIBSON, WALTER McQ.—Ph. C., '83.

Manufacturing chemist, with Valentin, Portsmouth, Ohio.

GREENE, ARTHUR L.—Ph. C., '82.

Professor of pharmacy at Purdue University, Lafayette, Ind.

GROFF, GEORGE G.—Resident graduate, 1875. [M. D., L. I. Med. Col., '77.] Professor of natural sciences in Lewisburgh University, Lewisburgh, Penn.

HAIGH, DELAGNEL.—Ph. C., '85.

The manufacturing chemist at the laboratory of Meyer Brothers & Co., No. 6, North Second street, St. Louis, Mo.

HALL, ABRAM S.—Ph. D., '78.

Teacher. Some time an assistant chemist in the U. S. Agricultural Department at Washington.

HEGELER, MISS MARY.—B. S., '82.

LaSalle, Ill.

HOGEBOM, ELLEN C.—B. S., '77.

Teacher, Science Hill School, Shelbyville, Ky.

IRWIN, JOHN L.—Ph. C., '80.

The chemist for the William S. Merrell Chemical Company, Sixth street and Eggleston avenue, Cincinnati, O.

JOHNSON, KATE C.—Ph. C., '74.

The dispensing clerk at the chemical laboratory of the University of Michigan.

JOHNSON, OTIS C.—Ph. C., '71. [B.

A., '68, Oberlin.] Assistant professor of applied chemistry in the University of Michigan.

JUDD, HENRY W.—M. E., '78.

KIRCHMAIER, GUSTAVUS A.—Ph.

C., '83. Professor of chemistry in North West Ohio Medical College. Corner Adams and Huron streets, Toledo, Ohio.

KNOX, JOHN W.—1885-7.

Assistant chemist, Joliet Steel Works, Joliet, Ill.

LAKE, CHARLES N.—Ph. C., '84.

Some time analytical and manufacturing chemist at the laboratory of W. H. Schieffelin & Co., New York. Instructor in qualitative analysis and assaying at Lehigh University, South Bethlehem, Pa.

LEDMAN, OLIVER S.—Ph. C., '83.

The manufacturing chemist of the
laboratory of Messrs. Orr, Brown
& Price, Columbus, Ohio.

LOVELAND, WILLIAM L.—B. L., '82.

Superintendent of stamp mills for
gold, Empire, Montana.

LYONS, ALBERT B.—M. D., '68 [M.

A., Williams College]. Consulting
chemist. From 1880-86, analytical
chemist for Parke, Davis & Co.
Editor "The Pharmaceutical Era."
21 State street, Detroit, Mich.

MANN, EUGENE G.—M. E., '78.

Druggist, Ann Arbor.

McCORKLE, JOHN A.—M. D., '74.

Chemist and physician, Brooklyn,
N. Y.

McGEE, CARLES K.—A. B., '80.

Assistant in general chemistry in
the University of Michigan.

MINER, GEORGE H.—B. S., '81.

Ann Arbor, Mich.

MONTGOMERY, JABEZ.—M. S., '67;

Ph. D., '81. Professor of natural sciences in Kalamazoo College, Kalamazoo, Mich.

MOODY, LUCIUS W.—Ph. C., '78.

Manufacturing chemist in charge of the pharmaceutical and perfume works of Vogeler, Son & Co., Baltimore, Md.

MORLEY, H. THROOP.—M. E., '79.

Mining engineer, Marine City.

NOVY, FRED G.—B. S. (in chemistry)

'86. Assistant in organic chemistry in the University of Michigan. Assistant professor of chemistry (elect) in the Dakota Agricultural College, Brookings, Dak.

OLCOTT, WILLIAM J.—M. S., '84.

Chemist and engineer of the Ashland & Germania Mines, Hurley, Wis.

PARKER, CHARLES E.—Ph. C., '85.

Assistant analytical chemist in the works of Parke, Davis & Co., Detroit, Mich.

PARSONS, CHARLES W.—Ph. C., '81.

Professor of analytical chemistry in the College of Pharmacy of the City of New York. Chemist to the New York Retail Grocers' Union. 209 East 23d street, New York.

*PARSONS, HENRY B.—Ph. C., '76.

Chemist in charge of the construction and working of the manufactory and drug mills of W. H. Schieffelin & Co., New York, 1881-1884. Writer, 1877-1885. DIED, August 21, 1885.

PENGR, CHARLES P.—M. D., '81,

Ph. C., '83. Assistant in the chemical laboratory, U. of M., 1881-4. Professor of materia medica in the Massachusetts College of Pharmacy. No. 130 Dartmouth street, Boston, Mass.

POST, MARY E.—Ph. C., '77.

Teacher, Granger Place School,
Canandaigua, N. Y.

QUINTUS, JOHN C.—M. E., '79.

Mining engineer, Arizona (?)

REED, CHARLES J.—A. B., '81.

Teacher, Idaho Springs, Col. Wri-
ter on theoretical chemistry.

REED, MORRIS R.—Ph. C., '77.

Chemist to the Ohio Iron Com-
pany, Zanesville, O., until 1886.
Middletown, O.

REX, ROBERT G.—Ph. C., '69; M. D.,

'71. Professor of chemistry in the
Willamette University, Portland,
Oregon.

RICE, MARION LOUISE—M. D., '74.

Teacher. Brooklyn, N. Y.

RISING, WILLARD B.—M. E., '67. [M.

A., '68, Hamilton.] Professor of
chemistry in the University of
California. Oakland, Cal.

- ROSS, FRANK A.—Ph. B., '84.
Superintendent, Hudson Mining
and Reduction Works, Neihart,
Montana.
- ROYER, JR., THEODORE—B. A., '83.
Chemist, Western Nail Co., Belle-
ville, Ill.
- SATTERLEE, FRANK P.—M. E., '80.
- SENIER, ALFRED.—Ph. C., '74; M. D.,
'74. [F. I. C., '78.] Demonstrator
of chemistry in the laboratories of
the Pharmaceutical Society of
Great Britain, 1876-1881. Research
laboratory of the University of
Berlin, Georgenstrasse 35, Berlin,
N. W.
- SHARPLESS, FRED F.—Class of '89.
Assistant chemist, Joliet Steel
Works, Joliet. Ill.
- SHEPARD, JAMES H.—B. S., '75.
Principal of High School, Ypsilanti,
Mich. Author of a text-book of
chemistry.

WRAMPELMEIER, THEO. H.—A. B.,
Ph. C., '78. Instructor and assist-
ant professor of organic chemistry
and of pharmacy in the University
of Michigan from 1881 to 1886.
San Diego, Cal.

WULF, HENRY—1882-4.
Chemist, Pacific Rolling Mills, San
Francisco, Cal.

YOUNG, ABRAM V. E.—Ph. B., '75.
Professor of chemistry in the
Northwestern University. Evans-
ton, Ill.
